

## Safety Data Sheet

### Identification of the substance/mixture and of the company/undertaking

---

#### 1. Kit identifier

Kit name: Annexin V-AF 488 Apoptosis Detection Kit, with Propidium Iodide  
Catalog number(s): 11172, 21172  
Composition/information on components: Annexin V Binding Buffer, 5x  
Propidium Iodide  
Annexin V-AF 488 conjugate  
Annexin V-AF488 apoptosis detection kit manual

#### 2. Relevant identified uses of the kit and uses advised against

The ready-to-use kit to label apoptotic and necrotic cells with Annexin V-AF 488 conjugate and propidium iodide.

#### 3. Details of the supplier of the Safety Data Sheet

Supplier: Lumiprobe Corporation  
201 International Circle, Suite 135  
Hunt Valley, Maryland 21030,  
USA  
+1 888 973 6353  
order@lumiprobe.com

#### 4. Emergency telephone number

+1 888 973 6353 ext 2

**The set safety data sheet includes safety data sheets of all components**

---

## Safety Data Sheet

### 1. Identification of the substance/mixture and of the company/undertaking

---

#### 1.1. Product identifier

Product name: Annexin V Binding Buffer, 5x  
Catalog number(s): 83215  
Substance name: Annexin V Binding Buffer, 5x  
Molecular formula: n.a.  
Molecular weight: n.a.  
CAS number: n.a.  
EC number: N/A  
REACH registration number: N/A

**1.2. Relevant identified uses of the substance or mixture and uses advised against**  
Analytical reagent. Reagent for research and development.

#### 1.3. Details of the supplier of the Safety Data Sheet

|           |  |   |
|-----------|--|---|
| Supplier: | Lumiprobe Corporation<br>201 International Circle, Suite 135,<br>Hunt Valley,<br>Maryland 21030,<br>USA<br>+1 888 9736353<br>order@lumiprobe.com | Lumiprobe GmbH<br>Feodor-Lynen-Str. 23<br>30625 Hannover<br>Germany<br>+49 511 16596811<br>de@lumiprobe.com |
|-----------|--|---|

#### 1.4. Emergency telephone number

+1 888 973 6353 ext 2; +49 (0)511 16596812

## 2. Hazards identification

---

#### 2.1. Classification of the substance or mixture

The substance is not hazardous according to EU regulation (EC) No 1272/2008 or GHS regulations., and it does not contain any hazardous substance at more than 1% by weight. US Export Control Classification Number (ECCN) - EAR99 - The substance does not require a license.

#### 2.2. Label elements

Not applicable

#### 2.3. Other hazards

No other hazards identified

## 3. Composition/information on ingredients

---

#### 3.1. Substances

Product name: Annexin V Binding Buffer, 5x  
CAS number: n.a.  
Weight %: >95 %

#### 3.2. Mixtures

Not applicable.

## **4. First aid measures**

---

### **4.1. Description of first aid measures**

|                                |  |
|--------------------------------|--|
| General notes                  | Wash thoroughly after use.   |
| Inhalation                     | Move individual to fresh air and seek medical advice.                                      |
| Skin contact                   | Wash affected area with water for 15 minutes and seek medical advice if irritation occurs. |
| Eye contact                    | Flush eye with water for 15 minutes and seek medical advice if irritation occurs.          |
| Ingestion                      | Seek medical advice.   |
| Self-protection of first aider | Wear protective gloves.  |

### **4.2. Most important symptoms and effects, both acute and delayed**

We are not aware of any reported health hazards for this product.

### **4.3. Indication of any immediate medical attention and special treatment needed**

No immediate medical attention or special treatment indicated.

## **5. Firefighting measure**

---

### **5.1. Extinguishing media**

Suitable extinguishing media Depending on the surrounding fire. The substance is not flammable.  
Unsuitable extinguishing media Not known.

### **5.2. Special hazards arising from the substance or mixture**

No special fire hazards.

### **5.3. Advice for firefighters**

No specific precautions arising from the substance.

## **6. Accidental release measures**

---

### **6.1. Personal precautions, protective equipment and emergency procedures**

For non-emergency personnel avoid breathing in dust. Wear gloves and safety glasses.  
For emergency responders avoid breathing in dust. Wear gloves and safety glasses.

### **6.2. Environmental precautions**

Avoid release into environment and sewage water system.

### **6.3. Methods and material for containment and cleaning up**

|             |  |
|-------------|--|
| Small spill | Sweep up spilled substance promptly and dispose according to local regulations.                  |
| Large spill | Avoid dispersal. Sweep up spilled substance promptly and dispose according to local regulations. |

### **6.4. Reference to other sections**

See Section 8 for information on appropriate personal protective equipment.  
See Section 13 for additional waste treatment information.

## **7. Handling and storage**

---

### 7.1. Precautions for safe handling

Wear protective equipment as specified in section 8.

Do not eat, drink and smoke in work areas. Thoroughly wash hands after use. Remove contaminated clothing and protective equipment before entering eating areas.

### 7.2. Conditions for safe storage, including any incompatibilities

n.a.

### 7.3. Specific end use(s)

Analytical reagent. Reagent for research and development.

## 8. Exposure controls/personal protection

---

### 8.1. Control parameters

No occupational exposure limits known.

### 8.2. Exposure controls

Appropriate engineering controls: Work in a fume hood.

Personal protection: Work in a fume hood with usual precautions.

Eye/face protection: Wear safety glasses.

Skin protection: Wear chemical-resistant gloves. Wear a lab coat and appropriate shoes.

Respiratory protection: Work in a fume hood

Environmental exposure controls: Do not drain into sewage system

## 9. Physical and chemical properties

---

### 9.1. Information on basic physical and chemical properties

Appearance

Odour Odourless

Odour threshold Not available

pH Not available

Melting point / freezing point Not available

Initial boiling point and boiling range Not available

Flash point Substance does not sustain combustion.

Evaporation rate Not available

Flammability (solid, gas) Non-flammable

Upper/lower flammability or explosive limits Not available

Vapour pressure Not available

Vapour density Not available

Relative density Not available

|  |               |
|--|---------------|
| Solubility(ies)                        | n.a.          |
| Partition coefficient: n-octanol/water | Not available |
| Auto-ignition temperature              | Not available |
| Decomposition temperature              | Not available |
| Viscosity                              | Not available |
| Explosive properties                   | Not available |
| Oxidising properties                   | Not available |

## **9.2. Other information**

Not applicable

## **10. Stability and Reactivity**

---

### **10.1. Reactivity**

No specific test data available for this substance.

### **10.2. Chemical stability**

The product is stable under normal conditions of storage and use.

### **10.3. Possibility of hazardous reactions**

No hazardous reactions will occur under normal conditions of storage and use.

### **10.4. Conditions to avoid**

No specific data.

### **10.5. Incompatible materials**

No specific data.

### **10.6. Hazardous decomposition products**

No dangerous decomposition products should be produced under normal conditions of storage and use.

## **11. Toxicological information**

---

The toxicological properties of this substance have not been thoroughly investigated.

## **12. Ecological information**

---

### **12.1. Toxicity**

No test data available.

### **12.2. Persistence and degradability**

No test data available.

### **12.3. Bioaccumulative potential**

No test data available.

### **12.4. Mobility in soil**

No test data available.

### **12.5. Results of PBT and vPvB assessment**

No test data available.

#### **12.6. Other adverse effects**

No test data available.

#### **12.7. Additional information**

We are not aware of any ecological hazards arising from this substance.

### **13. Disposal considerations**

---

#### **13.1. Waste treatment methods**

Waste should not be disposed of by release to sewers. Consult local, state or national regulations for applicable requirements.

### **14. Transport Information**

---

#### **14.1. UN number**

Not regulated.

#### **14.2. UN proper shipping name**

Not applicable.

#### **14.3. Transport hazard class(es)**

Not applicable.

#### **14.4. Packing group**

Not applicable.

#### **14.5. Environmental hazards**

No.

#### **14.6. Special precautions for user**

Not available.

#### **14.7 IATA/ICAO**

Not regulated.

### **15. Regulatory information**

---

#### **15.1. Safety, health and environmental regulations/legislation specific for the substance or mixture**

The substance is not listed under relevant regulations.

#### **15.2. Chemical Safety Assessment**

No Chemical Safety Assessment has been carried out for this substance by the supplier.

### **16. Other information**

---

Date of issue/revision 28.03.2025

Version 1

## Safety Data Sheet

### 1. Identification of the substance/mixture and of the company/undertaking

---

#### 1.1. Product identifier

Product name: Propidium Iodide  
Catalog number(s): 19010, 29010, 3162-100mg, 39010  
Substance name: Propidium Iodide  
Molecular formula: C<sub>27</sub>H<sub>34</sub>I<sub>2</sub>N<sub>4</sub>  
Molecular weight: 668.41  
CAS number: 25535-16-4  
EC number: N/A  
REACH registration number: N/A

**1.2. Relevant identified uses of the substance or mixture and uses advised against**  
Analytical reagent. Reagent for research and development.

#### 1.3. Details of the supplier of the Safety Data Sheet

#### 3.1. Substances

Product name: Propidium Iodide  
CAS number: 25535-16-4  
Weight %: >95 %

#### 3.2. Mixtures

Not applicable.

## **4. First aid measures**

---

### **4.1. Description of first aid measures**

|                                |  |
|--------------------------------|--|
| General notes                  | Wash thoroughly after use.   |
| Inhalation                     | Move individual to fresh air and seek medical advice.                                      |
| Skin contact                   | Wash affected area with water for 15 minutes and seek medical advice if irritation occurs. |
| Eye contact                    | Flush eye with water for 15 minutes and seek medical advice if irritation occurs.          |
| Ingestion                      | Seek medical advice.   |
| Self-protection of first aider | Wear protective gloves.  |

### **4.2. Most important symptoms and effects, both acute and delayed**

We are not aware of any reported health hazards for this product.

### **4.3. Indication of any immediate medical attention and special treatment needed**

No immediate medical attention or special treatment indicated.

## **5. Firefighting measure**

---

### **5.1. Extinguishing media**

Suitable extinguishing media Depending on the surrounding fire. The substance is not flammable.  
Unsuitable extinguishing media Not known.

### **5.2. Special hazards arising from the substance or mixture**

No special fire hazards.

### **5.3. Advice for firefighters**

No specific precautions arising from the substance.

## **6. Accidental release measures**

---

### **6.1. Personal precautions, protective equipment and emergency procedures**

For non-emergency personnel avoid breathing in dust. Wear gloves and safety glasses.  
For emergency responders avoid breathing in dust. Wear gloves and safety glasses.

### **6.2. Environmental precautions**

Avoid release into environment and sewage water system.

### **6.3. Methods and material for containment and cleaning up**

|             |  |
|-------------|--|
| Small spill | Sweep up spilled substance promptly and dispose according to local regulations.                  |
| Large spill | Avoid dispersal. Sweep up spilled substance promptly and dispose according to local regulations. |

### **6.4. Reference to other sections**

See Section 8 for information on appropriate personal protective equipment.  
See Section 13 for additional waste treatment information.

## **7. Handling and storage**

---

### 7.1. Precautions for safe handling

Wear protective equipment as specified in section 8.

Do not eat, drink and smoke in work areas. Thoroughly wash hands after use. Remove contaminated clothing and protective equipment before entering eating areas.

### 7.2. Conditions for safe storage, including any incompatibilities

24 months after receipt at -20°C in the dark. Transportation: at room temperature for up to 3 weeks. Desiccate.

### 7.3. Specific end use(s)

Analytical reagent. Reagent for research and development.

## 8. Exposure controls/personal protection

---

### 8.1. Control parameters

No occupational exposure limits known.

### 8.2. Exposure controls

Appropriate engineering controls: Work in a fume hood.

Personal protection: Work in a fume hood with usual precautions.

Eye/face protection: Wear safety glasses.

Skin protection: Wear chemical-resistant gloves. Wear a lab coat and appropriate shoes.

Respiratory protection: Work in a fume hood

Environmental exposure controls: Do not drain into sewage system

Version 1

## Safety Data Sheet

### 1. Identification of the substance/mixture and of the company/undertaking

---

#### 1.1. Product identifier

Product name: Annexin V-AF488 apoptosis detection kit manual  
Catalog number(s): 5555P  
Substance name: Annexin V-AF488 apoptosis detection kit manual  
Molecular formula: n.a.  
Molecular weight: n.a.  
CAS number: n.a.  
EC number: N/A  
REACH registration number: N/A

**1.2. Relevant identified uses of the substance or mixture and uses advised against**  
Analytical reagent. Reagent for research and development.

#### 1.3. Details of the supplier of the Safety Data Sheet

|           |  |   |
|-----------|--|---|
| Supplier: | Lumiprobe Corporation<br>201 International Circle, Suite 135,<br>Hunt Valley,<br>Maryland 21030,<br>USA<br>+1 888 9736353<br>order@lumiprobe.com | Lumiprobe GmbH<br>Feodor-Lynen-Str. 23<br>30625 Hannover<br>Germany<br>+49 511 16596811<br>de@lumiprobe.com |
|-----------|--|---|

#### 1.4. Emergency telephone number

+1 888 973 6353 ext 2; +49 (0)511 16596812

### 2. Hazards identification

---

#### 2.1. Classification of the substance or mixture

The substance is not hazardous according to EU regulation (EC) No 1272/2008 or GHS regulations., and it does not contain any hazardous substance at more than 1% by weight. US Export Control Classification Number (ECCN) - EAR99 - The substance does not require a license.

#### 2.2. Label elements

Not applicable

#### 2.3. Other hazards

No other hazards identified

### 3. Composition/information on ingredients

---

#### 3.1. Substances

Product name: Annexin V-AF488 apoptosis detection kit manual  
CAS number: n.a.  
Weight %: >95 %

#### 3.2. Mixtures

Not applicable.

## **4. First aid measures**

---

### **4.1. Description of first aid measures**

|                                |  |
|--------------------------------|--|
| General notes                  | Wash thoroughly after use.   |
| Inhalation                     | Move individual to fresh air and seek medical advice.                                      |
| Skin contact                   | Wash affected area with water for 15 minutes and seek medical advice if irritation occurs. |
| Eye contact                    | Flush eye with water for 15 minutes and seek medical advice if irritation occurs.          |
| Ingestion                      | Seek medical advice.   |
| Self-protection of first aider | Wear protective gloves.  |

### **4.2. Most important symptoms and effects, both acute and delayed**

We are not aware of any reported health hazards for this product.

### **4.3. Indication of any immediate medical attention and special treatment needed**

No immediate medical attention or special treatment indicated.

## **5. Firefighting measure**

---

### **5.1. Extinguishing media**

Suitable extinguishing media Depending on the surrounding fire. The substance is not flammable.  
Unsuitable extinguishing media Not known.

### **5.2. Special hazards arising from the substance or mixture**

No special fire hazards.

### **5.3. Advice for firefighters**

No specific precautions arising from the substance.

## **6. Accidental release measures**

---

### **6.1. Personal precautions, protective equipment and emergency procedures**

For non-emergency personnel avoid breathing in dust. Wear gloves and safety glasses.  
For emergency responders avoid breathing in dust. Wear gloves and safety glasses.

### **6.2. Environmental precautions**

Avoid release into environment and sewage water system.

### **6.3. Methods and material for containment and cleaning up**

|             |  |
|-------------|--|
| Small spill | Sweep up spilled substance promptly and dispose according to local regulations.                  |
| Large spill | Avoid dispersal. Sweep up spilled substance promptly and dispose according to local regulations. |

### **6.4. Reference to other sections**

See Section 8 for information on appropriate personal protective equipment.  
See Section 13 for additional waste treatment information.

## **7. Handling and storage**

---

### 7.1. Precautions for safe handling

Wear protective equipment as specified in section 8.

Do not eat, drink and smoke in work areas. Thoroughly wash hands after use. Remove contaminated clothing and protective equipment before entering eating areas.

### 7.2. Conditions for safe storage, including any incompatibilities

n.a.

### 7.3. Specific end use(s)

Analytical reagent. Reagent for research and development.

## 8. Exposure controls/personal protection

---

### 8.1. Control parameters

No occupational exposure limits known.

### 8.2. Exposure controls

Appropriate engineering controls: Work in a fume hood.

Personal protection: Work in a fume hood with usual precautions.

Eye/face protection: Wear safety glasses.

Skin protection: Wear chemical-resistant gloves. Wear a lab coat and appropriate shoes.

Respiratory protection: Work in a fume hood

Environmental exposure controls: Do not drain into sewage system

## 9. Physical and chemical properties

---

### 9.1. Information on basic physical and chemical properties

Appearance

Odour Odourless

Odour threshold Not available

pH Not available

Melting point / freezing point Not available

Initial boiling point and boiling range Not available

Flash point Substance does not sustain combustion.

Evaporation rate Not available

Flammability (solid, gas) Non-flammable

Upper/lower flammability or explosive limits Not available

Vapour pressure Not available

Vapour density Not available

Relative density Not available

|  |               |
|--|---------------|
| Solubility(ies)                        | n.a.          |
| Partition coefficient: n-octanol/water | Not available |
| Auto-ignition temperature              | Not available |
| Decomposition temperature              | Not available |
| Viscosity                              | Not available |
| Explosive properties                   | Not available |
| Oxidising properties                   | Not available |

## **9.2. Other information**

Not applicable

## **10. Stability and Reactivity**

---

### **10.1. Reactivity**

No specific test data available for this substance.

### **10.2. Chemical stability**

The product is stable under normal conditions of storage and use.

### **10.3. Possibility of hazardous reactions**

No hazardous reactions will occur under normal conditions of storage and use.

### **10.4. Conditions to avoid**

No specific data.

### **10.5. Incompatible materials**

No specific data.

### **10.6. Hazardous decomposition products**

No dangerous decomposition products should be produced under normal conditions of storage and use.

## **11. Toxicological information**

---

The toxicological properties of this substance have not been thoroughly investigated.

## **12. Ecological information**

---

### **12.1. Toxicity**

No test data available.

### **12.2. Persistence and degradability**

No test data available.

### **12.3. Bioaccumulative potential**

No test data available.

### **12.4. Mobility in soil**

No test data available.

### **12.5. Results of PBT and vPvB assessment**

No test data available.

#### **12.6. Other adverse effects**

No test data available.

#### **12.7. Additional information**

We are not aware of any ecological hazards arising from this substance.

### **13. Disposal considerations**

---

#### **13.1. Waste treatment methods**

Waste should not be disposed of by release to sewers. Consult local, state or national regulations for applicable requirements.

### **14. Transport Information**

---

#### **14.1. UN number**

Not regulated.

#### **14.2. UN proper shipping name**

Not applicable.

#### **14.3. Transport hazard class(es)**

Not applicable.

#### **14.4. Packing group**

Not applicable.

#### **14.5. Environmental hazards**

No.

#### **14.6. Special precautions for user**

Not available.

#### **14.7 IATA/ICAO**

Not regulated.

### **15. Regulatory information**

---

#### **15.1. Safety, health and environmental regulations/legislation specific for the substance or mixture**

The substance is not listed under relevant regulations.

#### **15.2. Chemical Safety Assessment**

No Chemical Safety Assessment has been carried out for this substance by the supplier.

### **16. Other information**

---

Date of issue/revision 28.03.2025

Version 1
